## CV. Luhur Abadi Specialty Arabica Toraja

**Kopi Leluhur: A Heritage from Tanah Toraja that Soothes the Soul**  
From the fertile lands of Toraja in South Sulawesi, Kopi Leluhur brings a legacy passed down through generations from our ancestors who were coffee farmers. We preserve this tradition by processing and sorting coffee beans hygienically and ensuring they are Halal certified, resulting in export-quality coffee that captivates the hearts of its connoisseurs.

**Kopi Leluhur: Blending Tradition with Export Quality.**
