PT. JUTSUKA ARUNG BAHARI

ABOUT US

Jutsuka, founded in 2021, is on a mission to empower local Indonesian fishermen. Seeing the vast amount of fresh fish going to waste due to lack of processing, Jutsuka stepped in. They transformed dried fish into delicious and nutritious treats, benefiting both the community and the environment. From a small business, Jutsuka has blossomed, offering high-quality dried fish products that not only delight taste buds but also contribute to the well-being of coastal communities.

COMPANY PROFILE

WHAT WE DO

Jutsuka is dedicated to crafting dried fish delicacies that are not only delectable but also nutritious and safe for consumption. We source only the finest fresh fish ingredients and employ traditional, hygienic methods to ensure the utmost quality and safety. Our commitment to excellence extends beyond our processing techniques. We are constantly innovating, creating new and exciting dried fish products that cater to every palate. From succulent fish balls to crispy fish head crackers, our diverse range of delicacies is sure to delight and satisfy. Experience the Jutsuka difference: where quality, tradition, and innovation converge to create an unforgettable culinary experience.

WHY CHOOSE US

Jutsuka isn't just about dried fish; it's about culinary excellence built on a foundation of quality, tradition, and community. We meticulously source ingredients, ensuring every bite is a testament to our dedication. We prioritize hygiene and safety throughout the process. But Jutsuka goes beyond the plate. We support small businesses and sustainable practices, empowering local communities while offering delicious, affordable treats for all. Choose Jutsuka: savor the difference, support a cause, and embark on a journey of flavor and impact.
